PERSONAL SUMMARY

I'm a front-end developer. Energetic and sociable, client focused individual with a keen eye for detail. I pride myself in being able to turn a client's brief into reality. I am a strong team player who learns fast and relishes learning new skills.

I am now seeking a rewarding role within a dynamic, ambitious, agile team where my skills in the creative field can be applied.

SKILLS

HTML5	CSS3	Vanilla JavaScript / ES6	Node.js / Express
React.js	Git / Github	WordPress	cPanel
Sass	Bootstrap	npm	

SOFT SKILLS

Initiative	Energetic	Client focused	Imaginative
Deadline driven	Attention to detail	Team player	Problem solving
Reliable	Creative		

- Passionate about delivering a superb end product.
- Confident, friendly and easy to get along with.
- Successful in organising my workload effectively and prioritising tasks.
- Passionate for outstanding client relationship management.
- Successfully managing multiple projects in a fast-paced, deadline-driven environment.
- Adaptable and able to quickly learn new code languages

CAREER STATEMENT

"I'm seeking a role where I can be at my most creative; a way to express myself, not only a "9 to 5".

My biggest strength is quickly understanding my client's vision and finding the best tools available to make it a reality.

Also, I'm very sociable and easy to talk to which helps me build close working relationships with my colleagues and clients. "

CAREER HISTORY

Front-end Web Developer / Freelance / Full-time

August 2020 - Present - St Albans - UK

- Project: bespoke cake business website developed with React.js.
- Project: Real-time weather app developed with react.js and API.

Front-end Web developer Freelance / Part-time

February 2018 - August 2020 - St Albans - UK

- Commissioned Project: Make-Up Artist website developed with WordPress.
- Practical training at Skillcrush.com - "Break into Tech Blueprint".

JJ Media Group / Account Handler - Equipment

January 2012 - August 2020 - LONDON - UK

I managed enquiries from start to finish. I provided vital on-set support to a wide range of clients, photographers, assistants and shoot types. I liaised with the relevant divisions to deliver true value to my clients and build long-term client relationships. I always looked for ways to improve efficiency.

Direct Photographic Ltd / Rental Desk Executive & Camera Technician

September 2011 - January 2012, LONDON - UK

I compiled clients' equipment orders and advised them on the best equipment to create their desired look. I maintained the equipment to its highest standard.
